Commonwealth Capital Corp., an equipment leasing and financial services company, was recently honored with four awards during DiversityBusiness.com's 15th Annual National Summit held at the Harvard Club in New York City. This year, the company was recognized as one of the Top 50 Women Owned Businesses in Florida, one of the Top 100 Privately-Held Businesses in Florida, one of the Top 100 Diversity-Owned Businesses in Florida, and one of the Top 500 Women-Owned Businesses in the U.S.

Hosting a major business summit for the 15th year, DiversityBusiness.com announces the Div500 each year, qualifying an annual listing of the Top 500 diversity-owned businesses. Ranging in revenue size from \$20 million to more than \$1 billion, the companies listed on the Div500 represent the nation's top companies and challenge the belief that diversity-owned businesses are small or insignificant.

“We are proud and honored to be recognized by DiversityBusiness.com as one of the top women-owned businesses in the country,” said Commonwealth Capital Corp. chairman and chief executive officer Kimberly Springsteen-Abbott. “DiversityBusiness.com’s annual summits bring together entrepreneurs, government agencies, non-profits and Fortune 500 corporations to celebrate the important role diversity plays in the ongoing strength and continuing growth of our national economy. It is a prestigious group of business leaders and we are humbled by their acknowledgement.”

Founded in 1978, Commonwealth Capital Corp. is a Women’s Business Enterprise National Council-certified national equipment leasing and financial services company with locations in Clearwater, FL and Chadds Ford, PA.
